ABEED AHMAD

DIRECTOR

ABOUT ABEED

Abeed Ahmad is a forensic technology and data analytics leader with over 15 years of experience supporting litigation, regulatory investigations, remediation, and dispute matters across financial services, gaming, energy, retail, and government sectors.

He specialises in forensic data analytics, transaction tracing, compensation modelling, wage compliance investigations, and financial loss quantification. Abeed has led large-scale forensic analytics engagements involving ASIC remediation programs, class actions, Fair Work investigations, and complex litigation matters.

PROFESSIONAL QUALIFICATIONS

- Graduate Certificate in Computer Science
- BSc (Honours) in Computer Science, Jahangirnagar University
